

# Proposed Schools (Residential Outdoor Education) (Scotland) Bill

## Introduction

A proposal for a Bill to ensure that young people have the opportunity to experience residential outdoor education.

The consultation runs from 29 April 2022 to 22 July 2022

All those wishing to respond to the consultation are strongly encouraged to enter their responses electronically through this survey. This makes collation of responses much simpler and quicker. However, the option also exists of sending in a separate response (in hard copy or by other electronic means such as e-mail), and details of how to do so are included in the member's consultation document.

Questions marked with an asterisk (\*) require an answer.

All responses must include a name and contact details. Names will only be published if you give us permission, and contact details are never published – but we may use them to contact you if there is a query about your response. If you do not include a name and/or contact details, we may have to disregard your response.

Please note that you must complete the survey in order for your response to be accepted. If you don't wish to complete the survey in a single session, you can choose "Save and Continue later" at any point. Whilst you have the option to skip particular questions, you must continue to the end of the survey and press "Submit" to have your response fully recorded.

Please ensure you have read the consultation document before responding to any of the questions that follow. In particular, you should read the information contained in the document about how your response will be handled. The consultation document is available here:

Q1. Which of the following best expresses your view of the proposed Bill? (Please note that this question is compulsory.)

Fully supportive

Q1. Which of the following best expresses your view of the proposed Bill? (Please note that this question is compulsory.)

**Please explain the reasons for your response.**

I am fully supportive of Liz Smith's proposed bill as I, as a teenage school pupil, was able to benefit from residential Outdoor education and like Liz, believe that it should be part of the school curriculum

Q2. Do you think legislation is required, or are there other ways in which the proposed Bill's aims could be achieved more effectively? Please explain the reasons for your response.

*No Response*

Q3. The proposed Bill will cover residential outdoor education provision for local authority and grant-aided schools only. Which of the following best expresses your view that independent schools or any other education establishments should not be covered by this obligation.

Fully supportive

**Please give reasons for your response.**

I am fully supportive of the bill proposed by the member for Mid Scotland & Fife due to the fact that, as a local authority school pupil, I benefitted from residential Outdoor activities. I am of the view held by the member for Mid Scotland & Fife that every school child in Scotland should be given the opportunity to experience the thrill of a week's residential outdoor activity

Q4. The intention is that the obligation to ensure that residential outdoor education is provided would fall on those who are responsible for arranging the provision, e.g. education authorities and managers of grant-aided schools. Which of the following best expresses your view of this proposal?

Fully supportive

**Please explain the reasons for your response.**

the local education Authorities and those managing grant aided schools must be given the means to ensure that every child of school age in Scotland that wishes to experience residential outdoor activity, is given the opportunity to do so

## Funding

Q5. Which of the following best expresses your view of how residential outdoor education experiences should be funded?

In full by the Scottish Government

**Please explain the reasons for your response. (If you consider Scottish Government funding should be provided to local authorities, please set out the mechanism for such funding, for example through block grant, ring fenced funding etc.)**

Q5. Which of the following best expresses your view of how residential outdoor education experiences should be funded?

I am of the belief that, As legislation is being proposed, that the Scottish Government should make the funding available for those that wish to engage with these outdoor opportunities, to do so

## Financial Implications

Q6. Any new law can have a financial impact which would affect individuals, businesses, the public sector, or others. What financial impact do you think this proposal could have if it became law?

some increase in costs

**Please explain the reasons for your answer, including who you would expect to feel the financial impact of the proposal, and if there are any ways you think the proposal could be delivered more cost-effectively.**

Some increase in cost to the taxpayer of Scotland, in my opinion, would be more than acceptable to pay for the implementation of this proposed bill

## Standard/ Quality of provision

Q7. Which of the following best expresses your view on the proposal for a quality framework to ensure the quality of the education provision of outdoor centres?

Fully supportive

**Please give reasons for your response, including whether this should be done by HMIE using a quality framework as part of their inspection of schools and the extent to which, if any, it should be statutory.**

the provision of outdoor centres would need to be looked at, and if needed, funding put in place to upgrade centres, where an upgrade was identified as required

Q8. Which of the following best expresses your view that the age range of 12 – 16 is appropriate for participation in the residential outdoor education experience?

Fully supportive

**Please give reasons for your response, including whether you think other age ranges would be more appropriate.**

I was between 12 & 16 when I had my 1st experience of outdoor education. I still hold my love of the outdoors today

For many of the experience participants, this will be their first experience of outdoor education

## Equalities

Q9. Any new law can have an impact on different individuals in society, for example as a result of their age, disability, gender re-assignment, marriage and civil partnership status, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

What impact could this proposal have on particular people if it became law? If you do not have a view skip to next question.

Please explain the reasons for your answer and if there are any ways you think the proposal could avoid negative impacts on particular people.

The Bill, If passed, As far as I am concerned will require to contain paragraphs that ensure the most Disadvantaged school kids have the opportunity to Get access to the experience of outdoor education

Q10. How might equity of provision for all be ensured, regardless of socio-economic status? Please give reasons for your response.

the equity of provision, should, as far as I am concerned be written into the draft of the bill before it reaches the debate stage, if it does

## Sustainability

Q11. Any new law can impact on work to protect and enhance the environment, achieve a sustainable economy, and create a strong, healthy, and just society for future generations.

Do you think the proposal could impact in any of these areas? [If you do not have a view then skip to next question]

Please explain the reasons for your answer, including what you think the impact of the proposal could be, and if there are any ways you think the proposal could avoid negative impacts?

The sustainable economy, is a must In My local area and I am aware of 2 outdoor Centres used for outdoor education in my Local Area. One of which, back in 2020 was subject to a Community transfer order

## General

Q12. Do you have any other additional comments or suggestions on the proposed Bill (which have not already been covered in any of your responses to earlier questions)?

*No Response*
